Rio 2016 Olympic & Paralympic Games

Dear Mr. Grand,

The Closing Ceremony of the Paralympics on Sunday 18th September marked the end of the Rio2016 Olympic and Paralympic Games, where the world's best athletes provided us with thrilling and spectacular competitions.

Once more both Games have been successfully accomplished by Omega / Swiss Timing, to which all of you have heavily contributed towards delivering flawless services to all athletes participating in Rio. You have been part of making the Games happen with your great dedication, professionalism, expertise and teamwork, conquering the many challenges faced during the preparations, test event and Games operations.

The IOC, Rio2016 and Omega have expressed their gratitude to the entire Team. The trust that all stakeholders place in the delivery of our services at the Games is a wonderful recognition.

Swiss Timing is thanking you and your team for your great involvement in making the XXXI Olympiad Rio2016 successful.

With kind regards,

SWISS TIMING LTD.
